Dear Sir,

Scrip Code: 540614
BSE Scrip ID: GGENG

**Sub: Intimation under Regulation 30 of the SEBI (LODR) Regulations, 2015,
G G Engineering expands its product line by launching "Plastic Bottle Crushing Machines"**

G G Engineering Limited with a view to increase its product line has commenced manufacturing of plastic bottle crushing machines known as REVERSE VENDING MACHINE (RVM) for empty plastic bottles etc. The product be completely "Made in India" and will have a optimum range of manual as well as automatic software based bottle crushing machines.

Increasing awareness and focus of Government of India as well as state governments on disposal of plastic in an efficient way will upsurge the demand of bottle crushing machines and the company expects to carve a niche in the segment.

Please take it on your record and oblige us.
